Series	Christians Say the Darndest Things
Title	"Where two or three are gathered"
Speaker	Will Douglas
Main Idea/Theme	<p>This particular darndest saying is quite unique in this series because it's a direct quote from scripture. So, how can it be a darndest saying? Well, simply put it absolutely isn't by itself, but we turn it in to one when we ignore what Jesus means by it. I plan to encourage a few general ideas to remember when we approach scripture.</p> <ol style="list-style-type: none">1. This small phrase is part of a larger passage2. The "why" is as important as the "where"3. You don't need this text to prove this truth. <p>Song that points us to the importance of reading scripture and reflecting on it as well as highly valuing His word. This is very much a message geared toward encouraging the importance of cherishing the word of God the way He has given it to us before we give it out to others so that we can more accurately share what He has said.</p>
