SERVICE INFO

Series	Hebrews: None Like the Son
Title	
Speaker	Will Douglas
Main Idea/Theme	I'm still working out my points, but they will center on the main theme of this section which is the superiority of Jesus's priesthood because it is linked to the Melchizedekian priesthood rather than the Aaronic priesthood. I know there are not many if any songs on Jesus's priesthood. However, there are certainly some aspects of this superior priesthood that can be and should be brought out in song. For example, this is a priesthood marked by righteousness and peace. Also, Melchizedek was a priest AND king. Of course, there is no greater Priest AND King than Jesus, but Melchizedek is helpful in pointing us to our perfect Priest and King. Any songs that would highlight these truths would be great!
