## Verse 1

          A                          D2  
Were creation suddenly articulate  
          A                          A/C#      D2  
With a thousand tongues to lift one cry  
          A/C#                      D2  
Then from north to south and east to west  
          A/E          E      A / / E | D / /  
We'd hear Christ be magnified

## Verse 2

          A                          D2  
Were the whole earth echoing His eminence  
          A                          A/C#      D2  
His name would burst from sea and sky  
          A/C#                      D2  
From rivers to the mountaintops  
          A/E          E4          A / / / | Asus / A / |

### Bridge

DM9  
I won't bow to idols  
                  E4  
I'll stand strong and worship You  
                  F#m  
If it puts me through the fire  
                  A/C#  
I'll rejoice cause You're there too  
DM9  
I won't be formed by feelings  
                  E4  
I'll hold fast to what is true  
                  F#m  
'Cause if the cross brings transformation  
                  A/C#  
Then I'll be crucified with You  
                  DM9  
'Cause death is just the doorway  
                  E4  
Into resurrection life  
                  F#m  
And if I join You in Your suffering  
                  A/C#  
Then I'll join You when You rise  
                  DM9  
And when You return in glory  
                  E4  
With all the angels and the saints  
                  F#m  
My heart will still be singing  
                  E4  
My song will be the same
